**A Bible Believing Church**

We believe that God has declared Himself to us through nature. However, He has specially revealed Himself to us in the Bible, which is the Word of God and our only infallible rule of faith and practice. It tells us who God is, what has happened to man, and what duty God requires of man.

**A Christ Centered Church**

We believe that Jesus Christ is to have preeminence in all things. He is the Eternal Son of God, co-equal with the Father and the Holy Spirit. As man, He was able to identify with us and represent us. As God, He was holy, sinless, and able to satisfy the divine justice of a Holy God.

**A Gospel Preaching Church**

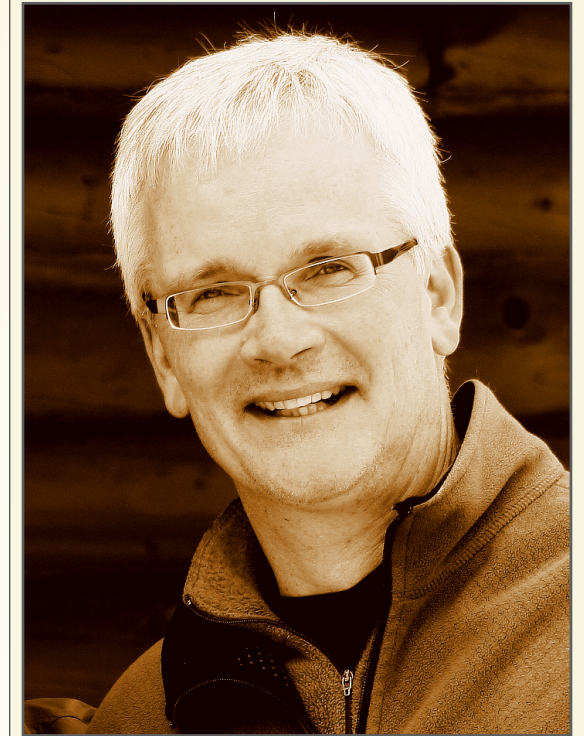

We believe that man fell in Adam and has a sin nature, and is a sinner by practice. He is consequently under God's wrath and curse and so made liable to all the miseries of this life, to death itself, and to the pains of hell forever. God the Father in love sent the Son to pay the penalty for man's sin. Jesus Christ died in our place and is the Redeemer of all who trust Him

CONNECTING THIS  
GENERATION TO THE FAMILY  
OF GOD THROUGHOUT TIME

# Connecting this generation to the family of God throughout time

Douglas Bond will teach us how we must read church history. He will do that by connecting this generation to the family of God throughout time, which will ultimately help us fix our eyes on the Lord Jesus Christ, the Perfecter of our faith.

In the last session on Sunday, Mr. Bond will attempt to show the central importance of a redemptive historical interpretation of the Psalms to Reformed Christianity in the 16th century and now.

**Join us to learn about God's providential care of his Church!**
